

INVITE TO BE A TEDx SPEAKER

Dear Student,

We are proud to announce that Eicher School has got permission to host yet another TEDx event.

This year we are organising the event with student speakers. So here is your chance to make yourself heard! Students from Class 3 to Class 12 are invited to work on a talk and submit to the class teacher by 10th July 2018.

Once you submit the idea, you need to appear for a selection round and 9 speakers will be chosen. The finalists will be then mentored for the final talk.

TIPS FOR PREPARATION

- Watch TED talks to understand how an idea can be presented
- **Please focus on your idea, problem, solution, and experience you want to share specifically,**

it should not be generic in nature and the whole talk must be around your topic/subject line.

- **What makes a good idea for a talk?**

Like a good magazine article, your idea can be new or surprising, or challenge a belief your audience already has. Or it can be a great basic idea with a compelling new argument behind it.

- Please read TEDx Speaker Guide
