TRULY EDUCATIONAL TOOLS AVAILABLE WITH THIS JOURNEY

A simple 3-step process for students and a layered, intense multi-team execution model for EdTerra, Young Authors Program lays the foundation for students to understand teamwork, leadership, communication skills and cultural awareness all together. It allows them to research, analyze and articulate their findings, thoughts and ideas in the shape of a high end publication that they author and shoot.

EdTerra guarantees an enhanced worldview

Young Photographers Program and Young Filmmakers Program also available as a Truly Educational value added module with select journeys. Please request the EdTerra representative for more details.
